Dear Clerk:

Kane

Your petitioner, Louis F. Bottorff, mistakenly named State of Florida as primary respondent to writ, when in fact, the name of the Warden of the institution where he is held should have been entered, although he is not in custody under color of Florida law, but is attacking a future sentence.

The warden's name is Donald Romine of this same address. Please rectify and thank you.

Sincerely yours,

Louis F. BottorffFILED
